Lesson 15  
A Messiah is Coming

15 Even as it became clear that God's people cannot produce this righteousness in their own strength, Old Testament prophets begin to herald the coming of a Messiah who will crush evil, deliver people from their sins, and fill them with the very Spirit of God. The Messiah will be a Prophet who speaks the true words of God, a Priest who brings healing and makes full atonement for the sins of His people, and a King who rules in a new, worldwide era of righteousness, joy, and peace.
